

## All Terrain Combat 3 Gauntlet (ATC3G)

### DESCRIPTION and USE

A close fitting gauntlet length glove worn by many police officers for Special Operations and Fire Arms use. Constructed from first grade fire, water and chemical repellant grain cowhide leather on the palm and with knitted aramid fabric on the back of the hand. Leather covered hard knuckle protection on the back of the hand and overlay digital printed cowhide leather patches on the palm provide additional protection for users. An aramid fabric double layer gauntlet length cuff ensures coverage of the forearm and provides a secure closure preventing the ingress of debris. The glove is lined in the hand section with a cut and sew Kovenex flame retardant lining made from a blend of aramid fibres with a needle point stitch to provide high levels of heat and cut protection. Fully sewn with aramid yarns in an innovative curved finger pattern to mirror the natural shape of the hand.

### STYLE FEATURES

Curved fingered fully lined glove sewn inseam, hard knuckle, overlay palm patches, long double cuff.
