

## FINGERLESS PO & MOE GLOVE

### DESCRIPTION and USE

Advanced hand protection for officers on duty, this fingerless glove provides protection against many aspects of mechanical risk including abrasion, cut, tear and puncture as well as impact risks. Made from genuine leather outer and with a digital cowhide leather patch to enhance grip, the glove has an EVA foam padded back of hand, knuckles and lower finger joints to protect the end user from impact injuries. With a velcro fastening leather strap on the palm side of the hand, a tight closure on the hand and wrist is assured and provides end users with the ability to rapidly don and doff the garment.
