

SOUTHCOMBE BROTHERS

Slash Resistant Leather Patrol Glove

Leather Uniform Glove, Style No: SB01994A

DESCRIPTION and USE

The ultimate in hand protection for officers on the beat, this glove offers a Level 5 cut resistance which is the highest standard currently recognized under EN388:2003. The glove is made from a top-grade, drum-dyed aniline grain goat leather outer which is sewn outseam for increased comfort. The cut resistance comes from a unique seamless knitted lining of KEVLAR® with glass-fibre made by Southcombe Brothers. The lining is plated with a Viloft® yarn offering active perspiration technology which wicks away moisture from the hand. The glove is accredited to EN388:2003 (Protective gloves against mechanical risks) and BS 7971 Part 7 (Slash Resistant Gloves).
