All Terrain Combat 3 (ATC3)

Lined Leather and Fabric Combat Glove, Style No: SB02547A

DESCRIPTION and USE

A short length, close fitting, robust glove worn by many infantry soldiers across the world. Constructed from first grade aniline fire, water and chemical repellant cowhide leather on the palm with a digital cowhide leather overlay patches to enhance protection and extend the life of the garment. The fabric on the back of the hand is a jersey knitted Kevlar which provides both flame and cut protection. The design has a cowhide leather covered hard molded knuckle pad to protect users knuckles from impact injuries. Sewn in an innovative curved finger pattern to mirror the natural shape of the hand and featuring a two stage Velcro closing strap to ensure a comfortable but snug fit while on the hand to prevent slippage and debris entering the glove. The style is lined with a cut and sew aramid Kovenex flame retardant lining.
