

All Terrain Combat 3 (ATC3)

DESCRIPTION and USE

A short close fitting robust glove worn by many police officers for Special Operations and Fire Arms use. Constructed from first grade fire, water and chemical repellant grain cowhide leather on the palm and with knitted Kevlar on the back of the hand. Leather covered hard knuckle protection and overlay digital leather palm patches. Sewn in an innovative curved finger pattern to mirror the natural shape of the hand. A two stage strap ensures a comfortable but snug fit while on the hand. It is lined with a cut and sew Kovenex flame retardant lining.

STYLE FEATURES

Curved fingered fully lined glove sewn half pique , hard knuckle, overlay palm patches, two stage strap to ensure a close second skin fit.
